Colours

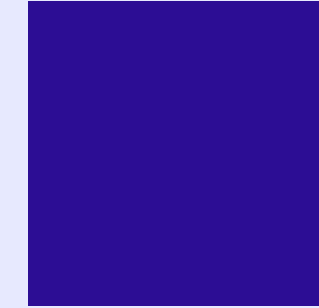

The main colours of the site will be varying shades of blue the lightest, Hex #E7E9FE, will be used for the main background of the website. The main headings will use the colour with the hex value #2C0D94, this will also be the same colour used for the navigation links on the header along with the buttons that link to other pages in the site. Hex#: 9898FC will be used in the header and footer along with the background of the form. It will also be used for hyperlinks to other pages within the website . White will be used as a font colour on the buttons of the page along with the headings in the form for readability. There will also be placeholder text in the textbox of the form in #DCDCDC. The main text that will describe each work and in each paragraph will be in dark grey #707070.
